GLOBAL

67.10m (220'1"ft) | 2007

DESCRIPTION

Global is a 67 metre support vessel designed and built by Shadow Marine, the first manufacturer to specialise in superyacht support vessels. The elegant Allure Shadow is a purpose built sport utility vessel. She also provides a helicopter deck and accommodation for up to 12 guests in six spacious staterooms, each with a private balcony. The climate controlled two-story hangar is ideal for entertaining large groups, comprising a raised DJ balcony and sound system. The exercise room includes two bicycles that can be dismounted and used ashore, and a large steam room for up to seven people. For entertainment, the Game Room has a poker table, game table, board games, Satellite TV and an Xbox 360. Guests can also relax on reclining leather loungers in the movie theatre, which features the latest technologies. Ten large oval windows on the main deck provide plenty of natural light. Guests can also take in panoramic views from the sky lounge deck and enjoy open plan dining in the split-level dining salon, which seats up to 12 people. Global’s water toys include a catamaran landing craft, four wave runners, four kayaks, four Laser sailboats, six underwater scooters, snorkel and fishing gear, and water skis. For use ashore, there is a Smart Car, two motor scooters and two bicycles.

ACCOMMODATION

Global accommodates 12 guests in first class cruise ship style. She is also one of the few vessels on the luxury charter market capable of landing or carrying a helicopter.
